OPEN UP YOUR CONTROL CENTER AND HOLD RECORDING BUTTON

Different phones have different ways that they view their control center. You may have to swipe up, swipe down, or swipe to the side. You'll notice the circular screen recording button in the bottom left of this picture. Hold this down.

MAKE SURE YOUR MICROPHONE IS TURNED ON

Once you hold down the screen recording button in control center, a pop-up will appear. Turn the "Microphone On" on your iPhone.

CLICK "START SCREEN RECORDING" BUTTON

Once you've turned your microphone on, start recording. Your recording has now begun.

OPEN THE BOCCIA BATTLE APP

Open the Boccia Battle App that you've already downloaded from the App Store to start playing 1 vs. 1 against a friend.

PLAY A GAME AGAINST YOUR OPPONENT

Now you can proceed to play the game against your opponent. Passwords will be given in your Zoom breakout rooms. Feel free to add commentary as you wish. Remember: everything is still being recorded on your phone!

OPEN THE CONTROL CENTER TO STOP RECORDING

As I mentioned before, different phones have different ways that they view their control center. You may have to swipe up, swipe down, or swipe to the side. You'll notice the circular screen recording button in the bottom left of this picture is still red because you are currently recording.

TURN OFF SCREEN RECORDING

Tap the red screen recording button to stop the recording. A tab will open up on your phone that explains: "Screen Recording video saved to Photos". Now you know where to find the screen recording you just took. Send the screen recording to <u>hjanna@bocciacanada.ca</u> via email or through Messages on CCPSA's Facebook account.
